Warning of Risks

I acknowledge and agree motorsport is dangerous and that accidents can and will happen.

I also acknowledge and agree as a condition of entry that the Promoters, nor the sponsor organisations, nor the land owners or lessees, nor the organisers of the race meeting/event, nor their respective servants, officials, representatives or agents shall be under any liability for my death, or any bodily injury, loss or damage to my property which may be sustained or incurred by me as a result of participation in or being present at the event.

I agree the Promoter has the right to terminate my participation in the event at any time for whatever reason it sees fit at the time

I acknowledge that I have thoroughly inspected the Track and found it to be in safe condition for the activities I intend to undertake. By using of the Track I indicate my acceptance of the Track's condition for the activity(s) I will undertake. If an act or occurrence in which I am involved or observe reduces the safety of the Track I will immediately notify the Promoter and warn other track users of the danger and/or increased risk.

Should any incident occur as a result of my failure to comply with the normal circuit rules or a direction given from an official whereby a successful claim is made under any insurance policy relating to the Track and an excess premium or deductible is charged by the insurer of the Track I will if required pay the excess or deductible under such insurance policy except to the extent that it is paid by a third party.

I declare that I agree to abide by the conditions on the back of this form, have read and understood these warnings, and accept all the inherent risks and danger in the event and the activities surrounding the event.
