Shannons Sports & Muscle Car Showdown

Saturday 27th and Sunday 28th June 2009

WITH A TRIBUTE TO TRANS-AM RACING

If your pride and joy, your passion, has wheels and horsepower its time you brought it out to play. Cotton balls are all well and good but if you want to get the real deal you have to use it the way it was built to be used once in a while and we've made it easy and safe for you to do just that.

You do not have to put your car at risk. If half the roads were as safe as Queensland Raceway it would halve the road toll. Your car was meant to be driven and you owe it to the people who designed it, and built it, to show what it can do – safely.

The Sports and Muscle-car Showdown brings enthusiasts a menu of activities where the ragged edge racers can run to the limit, regular drivers can work to do their regularity time trials and show'n'shiners can do the show part with movement for a change. This whole weekend is about messing about in your motor at the speed that suits you. Events for everything from push-hard to parade!

You will get to strut your stuff on the track at least six times over the weekend and see a whole bunch of historically significant cars on the track to quicken your pulse and excite your ears. You can expect to see the original Pete Geoghegan's record winning '65 Mustang.

We have also included events for exotic and classic sports cars in 2009 so expect to see some special cars on the track at Qld Raceway this year.

Shannons have gone to a lot of effort to make sure these days are special for you – Come to QR and share the passion.

We have arranged for the 1st time The Shannons Sports & Muscle Car GALA DINNER this will be held in the "**Metro Hotels Ipswich International**" Ballroom on Sat night the 27th June. Jim Richards will be the guest speaker along with a brief presentation from Paul Pisasale the Mayor of Ipswich. We have secured some special accommodation packages for 1, 2 or 3 nights including the Gala Dinner, please see the enclosed flyer for more details. Only 200 seats available so sure make you don't miss out on this special occasion

If you haven't raced before but have competed in sprints, hill climbs or other speed related activities and you have a car suitable for racing in one of the race categories you may be eligible to upgrade your clubman licence to a AASA National Race Licence, for more details please call Qld Raceway on 07 5461 9100

INVITATION to RUN **SUPPLEMENTARY REGULATIONS**
